учителя английского языка ГУО «Средняя школа № 22 г. Бреста»

Ход урока:

1. Организационный момент

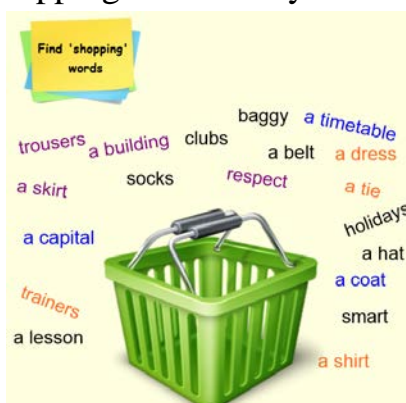

Good morning, children. Today we are going to talk about shopping.

2. Речевая зарядка

Do you like shopping? Can shopping be a hobby? Is it a great way to spend free time? What is your favourite shop in Brest? What can you buy in the newsagent's?

3. Основной этап

Look at the screen. Let's check how you know "Shopping words". Go to the blackboard and put as many "shopping words" as you can.

Well done! Now let's check how you can spell the words.

Write your answer here

Great! Do you remember how to make questions? Let's practice it.

Look at the screen. Make a dialog from the phrases.

Re-arrange these sentences.

I am sorry, Liz. I've been trying on these clothes and haven't decided yet.

All right, then. I'll take the skirt

Come on! Decide! What about this beautiful smart dress?

No. Not at all! Try it on! It looks lively. You look so pretty!

Brilliant! Let's go to a book shop

I like department stores and pet shops.

Oh, no. It's too long.

I like bakery and a book shop. And you?

Great idea. I like it! What are your favourite shops?

Rose! What are you doing there? I've been waiting for you for ages!

And the last task. Imagine a situation: two friends are going shopping and talking about their favourite shops and clothes.

4. Завершение

Thank you for your work. You may be free.
